PRE-MEDICAL FOUNDATION

TGM Pathway Foundation offers an innovative and exciting pathway to a medical degree through a partnership with Texila American University, American Barbados University and the University of Central Lancashire (UCLan). This degree track is open to qualified Nigerian students who do not yet hold a Bachelor's degree who seek an accelerated pathway to completing their medical education.

How will I study?

During your foundation you will study all the important elements of biology and chemistry required for your studies in years one to five. In addition, you will cover key topics in professionalism and communication and have your learning set in clinical context where appropriate.

You will undertake learning in fundamental subjects including anatomy, microanatomy and microbiology.

UK PATHWAY FOUNDATION

Our UK Foundation Pathway program provides an easy transition into top ranking institutions in the United Kingdom and Ireland. In this 1year foundation program, you will be adequately prepared for a successful academic journey in the UK.

Students will be exposed to the UK education system therefore ensuring a smooth passage into academic life. And equipped with key IT and Research skills needed for a more rigorous and advanced learning environment. Upon completion of the preparation year students will be academically and culturally prepared for their future in the UK.

CANADA PATHWAY FOUNDATION

Our Canada Foundation Programme equips you with the required skill set to proceed on an excellent academic future in Canadian Universities. The one year at TGM Pathway Foundation takes an intensive tailored path to your intended degree.

We also ensure that you have the IT and Research proficiency to compete with counterparts in a more advanced institution than you might have already been exposed to.

AUSTRALIA PATHWAY FOUNDATION

Enrol into our intensive one-year preparatory course and be sure of transitioning into a fulfilling academic program in Australia. Our courses equip you with the required academic skills and prepare you adequately for the advanced university teaching style.

You will also receive intense English and IT development classes which we believe will lead you to a deeply wholesome learning experience in Australia.

USA PATHWAY FOUNDATION

Our USA Foundation Programme ensures a smooth transition to the rigorous academic system in America. In this one year, you will be exposed to the American education system and given access through our dedicated counsellors to exploring many options open to you at our partner institutions in the USA.

Successful completion of this programme you will be equipped with have the IT and Research proficiency to compete with counterparts in a more advanced institution. No matter your chosen course of Pathway, you will receive classes in English and Skill Development which we believe will give you a holistic educational experience.

IJMB/ JUPEB/ GCE/ WAEC PATHWAY

Enrol today for our intensive coaching in all Nigerian tertiary bound examinations. Our Interim Joint Matriculation Board, Joint University Preliminary Examinations Board, General Certificate of Education, West African Examination Council coaching classes are tailored to suit your learning style and capabilities with classes lasting from 1 month to 9 months in areas of concentration.

Start Dates: March, April, July

IELTS/ITEP

Whatever course of study you choose, you will be able to enrol in one of our intense IELTS/ITEP preparation classes. To ensure that you take your test with confidence.

How will I study?

You will be taught by English Specialists with a niche for international test taking. The course work is specifically towards improving your expertise in the four areas for each of the exams; Listening, Reading, Writing and Speaking.

Learning will come in the shape of courses, workshops, seminars and mock interviews.

ENTRY REQUIREMENTS

TGM PATHWAY
FOUNDATION

The TGM Pathway Foundation is a one-year preparation course for Nigerian students who need additional English Language and Academic preparation before entering University. The Foundation course acts as a bridge between your current qualifications and University undergraduate entry requirements and is designed to fill academic gaps, improve your English and familiarise you with the life and culture of a proper University.

At least 5 credits in WAEC/NECO including Mathematics and English subjects would be considered for TGM Pathway Foundation admission. Where a student has less than a C5 in English, such a student would be required to partake in Intense English Classes before being admitted into the program.

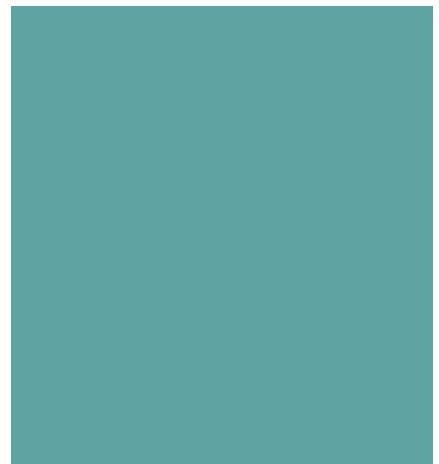

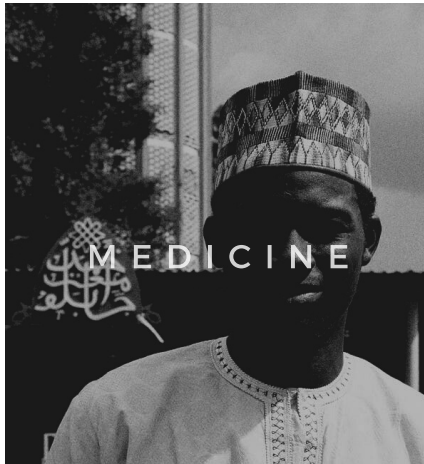

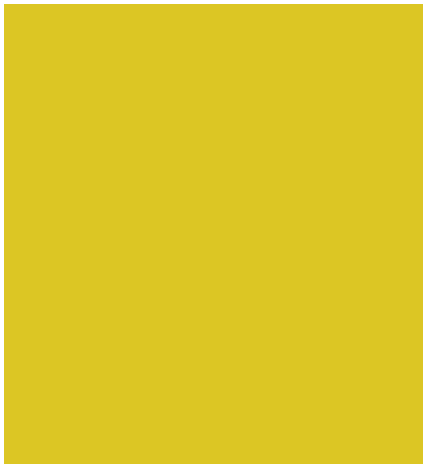

Documents Required:

- Secondary School Testimonial
- WAEC/NECO Result
- Secondary School Transcripts
- Reference Letter from Secondary School
- Personal Statement

If you need to improve your English, IELTS preparation courses are available for all levels and abilities. Sign up for a free IELTS practise test and improve your score in reading, writing, speaking and listening.
